

OCTOBER 25TH
AUDITÓRIO FCIÊNCIAS.ID

11H30

MAR 2030

Come join us and explore uncharted seas. Bernardo Duarte, from MARE, will give you hints to help you navigate these stormy waters.

Special Guest: Professor Bernardo Duarte.

ERC STARTING GRANTS: PATHS TO SUCCEED!

ERC Starting Grants are highly competitive but extremely prestigious. FC.ID supports ERC Candidates from the very first minute until the very last moment!

Join us in an informal session (with a very tasty light lunch) to know more about the importance of these types of funding, how they will boost your scientific career and other tips to succeed!

Special Guest: Professor Henrique Leitão.

Please confirm your presence through the email fciencias.id@fciencias-id.pt by October, 23rd, 12:00h.

12H45

14H30

R-NUUCELL'S: FROM THE LAB TO THE STAGE"

Join us in a discussion about research, industrial property and valuing technology in the marketplace.

Special Guests: Professors Helena Garcia / Andreia Valente
