

Rules for the use of Study Rooms (C4 3rd Floor)

The following rules of use must be observed in all study rooms:

- fill in the form on the Library counter and collect the card for the respective room;
- do not exceed the capacity of the room (8 people);
- do not eat or drink in the room, except for bottled water;
- do not disturb the space outside the study room with noise (including mobile phones);
- do not book the room with personal belongings: coats, laptops, bags, notebooks, etc;
- the room that is only occupied with personal belongings, without the readers being present, will be considered unoccupied;
- after using the room, one of the members of the group should go to the library's service desk where they will record their departure time and hand in their card.
